ABOUT ME

Videogame Design and Development student specializing in Level Design, 3D Art, and UI/UX, with hands-on experience across Unity and Unreal Engine. Highly dedicated and eager to continuously learn, I approach every challenge with full commitment and attention to detail. A proactive team player driven to deliver high-quality results while supporting others in dynamic, fast-paced environments.

WORK EXPERIENCE

Federated Swimming Referee | Federació Catalana de Natació
(Jan 2024 - Present | Barcelona, Spain)

- Applied official sports regulations with precision and consistency during regional and national competitions.
- Executed split-second, assertive decisions in high-pressure, fast-paced environments.
- Coordinated continuously with technical staff and event directors to guarantee smooth sporting operations.

Production & Workshop Assistant | Talleres Brea, S.L.U.
(Jun 2025 - Jul 2025 | Rubí, Barcelona)

- Assisted in workshop manufacturing operations, metal stamping, and mechanical component preparation.
- Adhered strictly to workplace safety regulations (PPE), quality control, and precision standards.
- Collaborated with senior technicians in daily logistical organization and material handling.

Recreation & Youth Activity Assistant | Casal d'Estiu
(Jun 2024 - Aug 2024 | Barcelona, Spain)

- Supervised and guided groups of children, ensuring physical safety, engagement, and adherence to program schedules.
- Resolved real-time logistical and interpersonal challenges with flexibility and active communication with parents and coordinators.
